30th MARCH 2020

FROM THE DESK OF THE NATIONAL CHAIRMAN

COVID-19 SOUTH AFRICA

In consultation with the Executive Committee it has been decided that in light of the current COVID -19 situation the Gunners' Memorial Service planned for May 17th 2020 be postponed until a later date.

The situation as it evolves will inform us going forward and a statement will be issued on a future date as more is known.

This is a trying time for all South Africans during an unprecedented situation requiring calm and civil obedience.

The Gunners' Association supports the efforts by Government to contain the pandemic and a rapid return to normality.

Most of our members are in the high risk categories and we urge you to be safe and adhere to the regulations as communicated.

Gunner greetings and stay safe,

Ubique

Gunner Niel Wiid
National Chairman
Gunners' Association of South Africa
